

# Galaxy battle:

- No Game Title (Just text)
- UI & fonts Could be better
- No About Us

**Color Jump** - Same old mistakes (nothing changed)

**Probelt** - Same old mistakes (nothing changed)

**Shapefit**- Not changing Shape even when tapped

**ShapeHavov**- Start of the game is fast but it is normal after the first obstacle

### **ShapeSwitch**

- Delay in switching sometimes
- Not work when it changes to 2 lanes as some panel is obstructing it
